## PUF Sandwich Panel

**Insulated Sandwich Panels**

**Sandwich Panel**

**Sandwiched (Insulated) Panels**

Insulated Sandwich Panel is extensively used in construction industry and are made with three separated elements. These are a versatile construction material that offers thermal & acoustic insulation properties in order to enhance design and engineering properties. Our range of panels provide superior insulation, are very light in weight, fire-resistant and extremely durable. Offering simple and easy-to-erect solutions, these panels are widely used demanded by Pharma, Electronics, Precision machining, Paint shops.

## APPLICATIONS

- ◆ Malls, Buildings, Offices, Auditoriums etc.
- ◆ Cold Storages.
- ◆ Refrigerated Rooms.
- ◆ Pharmaceutical Buildings.
- ◆ Structural Insulations (Roofs, Walls).
- ◆ Site Office
- ◆ Mobile Vans
- ◆ Telecom Shelter
- ◆ Prefab Structures

### REGISTERED OFFICE ADDRESS

- 📍 11-153/4/NR, G-5, Surya Krishna Apartments, IDA Gandhi Nagar Road, Balanagar, Hyderabad-500 037, Telangana.
- ☎️ +91-77020 00736, 90004 04984

### FACTORY ADDRESS

- 📍 H.No. 4-61/5, Pati Village, Patancheru Mandal, Sangareddy Dist., Telangana-502300.
